Cover letter

To: Medicines Registration Department

Subject: Application for marketing authorisation, Examplamox 500 mg/125 mg film-coated tablets

Dear Sir or Madam,

Example Generics Ltd submits this application for Examplamox 500 mg/125 mg film-coated tablets (amoxicillin trihydrate and potassium clavulanate), a generic medicinal product, under the abridged route. Each tablet contains 500 mg/125 mg of amoxicillin and clavulanic acid.

The dossier follows the Common Technical Document format. Module 1 holds this letter and the product information, Module 2 the summaries, and Module 3 the quality data.

Yours faithfully,
Regulatory Affairs, Example Generics Ltd
